PARKS MASTER PLAN WORK SESSION

Jim Jacks went over the memo in the packet from Preston Polasek.

There was a discussion regarding the school grounds and how the city could come to agreements with the school on the use of their property.

Jim Jacks informed the Commission that there was a possibility that veterans park could be a home site for a new fire station. The City is working on a possible merge between the Lafayette Fire Department and the Carlton Fire District to create one district. The park was bought with SDC funds so the fire district would purchase the property from the city replacing the SDC funds spent.

Discussion ensued.

Jim Jacks continued going over the memo from Preston Polasek.

Jim Jacks went over the survey result memos.

The Planning Commission estimated that the city received about 8%- 10% of the surveys back.

Jim Jacks continued going over the survey results memos.

The Planning Commission discussed the survey results and some of the comments that residents wrote in the surveys.

Jim Jacks continued going over the survey results memos.

The Planning Commission discussed the issue of sidewalks and road width and conditions being of concern when it comes to the parks.

Jim Jacks continued going over the survey results memos.

The consensus of the Planning Commission was to incorporate the prioritized list from the survey, with a summary, in the Parks Master Plan.

Adjourn: Doug Cook made a motion to adjourn. Jesse Huffman seconded the motion. Motion passed unanimously. Meeting adjourned at 8:26 pm.
